

DONAU SCHWABEN COMMEMORATIVE GARDEN

PLEASE READ CAREFULLY

The Fine Print:

As with any major project involving finances there are always disclaimers. This project is relying primarily on the funds of the members of the Kitchener Schwaben Club and its affiliated people and organizations. We are hoping for approximately 10-20% of the funds to come via other sources. Due to this, there is naturally the risk of the funds not being adequate. With this being said, the DSCG Committee has decided that the project will not begin until a minimum of \$30,000 is raised. At that point construction will begin and carry on step by step as funds become available. **Please note, the cost of the stones, plaques and monument will be considered first and therefore guaranteed once we reach our \$30,000 initial goal.** Your support is very important and therefore the recognition of this continued support is also very important. If the adequate funds are not raised and we the committee deem the project not possible without further funding, than all the donations will be refunded with a 5% deduction. The 5% deduction is ONLY applicable to the donations processed through the German Canadian Remembrance Society due to administration costs. Our goal of course is to raise enough funds to complete the project in one step. If not, the project will progress as the funds become available. This also means that the total project will cost more.

We need your support and encourage everyone to spread the word about this project and help us make this project a grand success.

Thank You,

The DSCG Committee
